

## REMARKS

Claims 1-41 are pending in the application. Claims 1-37 are allowed and claims 38-41 stand rejected. Applicants have amended claim 38.

The Examiner rejected claims 38-41 under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the invention. Applicants have amended claim 38 to more particularly point out and distinctly claim the Applicants' invention. Claims 39-41 depend from claim 38 and are, therefore, also allowable for the same reasons as claim 38.

Pursuant to 37 C.F.R. 1.178, the original patent is enclosed with this response.

Applicants submit that this application is now in condition for allowance. Reconsideration and allowance of this application is hereby solicited.

Respectfully submitted,  
ERIC C. ANDERSON *et al.*
